Brent's Place Invitational

August 15, 2011 at Pinehurst Country Club, Denver

The Brent's Place Invitational is much more than a day of golf. The tournament is a gathering of good friends and ardent supporters to celebrate another year of service to Brent's Place families. The setting for the event, Pinehurst Country Club, provides the perfect backdrop for what has become an annual tradition for so many members of the Brent's Place community. The 18 hole golf course was designed by Press Maxwell, one of the pre-eminent golf course architects in America. Like so many of his works, including Southern Hills and Augusta National, the Maxwell 18 at Pinehurst provides a memorable outing to golfers of all skill levels while providing a constant challenge to those more serious about the game. Join us for a great day of golf and make a difference in the lives of so many.
